SKILLS

Technologies : C/C++, Python, JavaScript, Java, Machine Learning, NLP.

Databases : MySQL, SQLite, MongoDB.

Frameworks : Django, Flask.

EDUCATION

Shah and Anchor Kutchhi Engineering College

2022-2026

B.E. Computer Engineering

PROFILE

Hello! I'm Pranav Ghuge, currently in my 3rd year pursuing Computer Engineering at Shah and Anchor Kutchhi Engineering College. My passion lies in the expansive realm of computer science, where I am eager to explore new and emerging technologies. I bring skills in Java, Python, HTML, CSS, JavaScript, Django, Flask (a Python framework), Machine Learning, NLP, and have a solid understanding of data structures. Committed to continual learning, I thrive on embracing challenges in the dynamic field of technology. Let's connect and explore the endless possibilities in the world of computing!

EXPERIENCE

Web Development Intern at ProdigyInfotech

July 2024 – Present

- Developed responsive web applications including a Landing Page Navbar, Stopwatch app, Tic Tac Toe game, Portfolio site, and Weather App.
- Utilized HTML, CSS, JavaScript, and API integration to enhance user experience.
- Ensured cross-device compatibility and collaborated effectively with cross-functional teams.

Python Developer Intern at Mira Advanced Engineering

Jan 2024

- Developed desktop applications using Tkinter, including a Time Converter, Loan Calculator, Flight Reservation Management System, and Employee Management System.
- Utilized Python to create user-friendly interfaces and ensure efficient performance.
- Enhanced problem-solving skills and collaborated effectively with team members.

CERTIFICATIONS

- Complete Java with Desktop App, Web App & Data Structures
- Python with Data Structures, Data Bases and Data Science
- Django Web Framework & Rest API
- Machine Learning & Flask Deployment
- Natural Language Processing (NLP)
